EARLY RELEASE PERMISSION for ATHLETIC EVENTS

Throughout the year, students who play on sports teams may need to leave school early to arrive at the tournament on time. Parents/Guardians are responsible for getting their child to the tournament on time. This schedule can be found on the school website (left side) under "Athletics".

To save parents the step of having to come in and sign your child out, the following form will be used as permission for the school to release your child.

Families may make arrangements to either have their child walk home for pick up there or have another adult pick them up to attend the tournament. This information needs to be communicated to the school each time the student is being released early. If you make the same arrangements for each game, you may indicate this on the form as to avoid filling out a new form each time. In cases where different arrangements are needed each time, an additional form will have to be completed.

PLEASE NOTE: All students are asked to come to the office and sign out prior to leaving the school.
