

Welcome Wranglers!

It is with great excitement that we welcome everyone to the 2025–26 school year at RancheView School! Whether you are a returning member of our community or joining us for the first time, we are so grateful you are here. Together, our students, staff, and families bring the strength, compassion, and kindness that make RancheView such a special place to learn and grow.

A special welcome goes out to our Pre-Kindergarten and Kindergarten students who are just beginning their educational journey—we are thrilled to have you join our Wrangler family. To our returning students, we look forward to seeing how you’ve grown over the summer and can’t wait to hear about your adventures. To our new families and staff, thank you for being here at RancheView—we are excited to learn and grow alongside you.

This past year, our school community celebrated many successes, and we are so proud of our students. Our Jr. A Girls Volleyball team and Jr. A Girls and Boys Basketball teams brought home numerous divisional banners, showcasing their teamwork and determination. Our bands consistently earned ratings of excellence at festivals, a true testament to the dedication of our young musicians. We were also thrilled to see such a fabulous turnout from families at our Literacy and Numeracy nights, where the joy of learning was shared by all.

Looking ahead, this school year promises to be filled with meaningful learning, lasting friendships, and opportunities to shine both inside and outside the classroom. We remain committed to providing authentic learning experiences for our students through field trips, guest speakers, and strong connections with our community. And as always, we are excited for the many events that make RancheView unique—including our Grade 8 students heading to Camp Chief Hector in June for Farewell, our Sr. Band trip to Edmonton, Elementary Bike Rally in collaboration with Cochrane Kiwanis and Bike Cochrane, Middle School Track Meet and Elementary Sports Day, and to kick things off our Welcome Back BBQ.

At RancheView, we are committed to creating an inclusive, caring, and safe environment where every individual feels valued and supported. Together, let’s encourage one another, celebrate achievements big and small, and make this a year to remember.

And always remember the **Wrangler Way: Be Kind. Be Safe. Be Respectful.**

Here's to a wonderful 2025–26 school year!

With gratitude and excitement 🌸

Lynette LePan-Smith
