5. Health and Wellbeing Presentation by Tenneil Mullin .

- Tenneil spoke of importance of the health and wellness of the teaching and support staff at the school in order to support the students to the best of their ability.
 - “ Wellness Wednesdays” and “Soup for the Soul” was discussed and how she uses those days to bring students down to help create a soup or a craft (ie.bath scrub) for our teachers but is seeking financial support in the amount of \$300 to pay for supplies for the next two wellness days of the year.
 - It was discussed that she includes students as young as grade 1 to join in the craft making “wellness” and those as young as grade 4 to help make the soup.
 - discussion of council members piloting the opportunity to supervise the lunch breaks to help ease the need for teachers to cover those breaks.

Motion to approve \$300 to “Wellness Wednesday” fund via Tenneil Mullin
