## 6. Admin Report

October 16th

- Playground update, developing expectations by getting one class out at a time, fence will remain likely until the spring because of landscaping that needs to be done, supervision.
- Terry Fox Walk/Run was a great success with the school raising \$2996.90. Students earned a free recess- will have this happen likely next week.
- We had our first spirit day- rainbow day... lots of fun! A student committee has been created with Mrs. Krawetz (grade 1 teacher). A rep from each grade level has been selected by grade teams to meet with her a few times to develop a plan for spirit days. Once this is created, she will let us know and we'll communicate out to our community as well as put the events on the school calendar.
- Grade 6's had their first tournament of the year... soccer and did a great job showing Wrangler leadership! Their next tournament is November 2nd for volleyball. Our Junior A girls volleyball team is doing well... third tournament is this Friday and then divisionals will be held Thursday October 25th. Junior B volleyball and grade 6 volleyball are getting underway.
- Orange Shirt Day was recognized on October 1st. Although we shared information about what it is every day on the news as well as sent information out to our community, a small number of students participated. It is however a start and we will continue to build on this recognition with the hopes of having a much larger number of students participating next year.
- Information evening for RTR saw around 60 adults in attendance and 35 children (child care was provided). The evening seemed to be well received with lots of great questions.
- Picture day was last Friday... always great to see so many dressed up! Retake day is November 2nd.
- Coming up
- Halloween school wide parade... open invitation for parents/guardians to come and watch our leaders parade around the school showing school spirit and their costumes!
